

CAMP PROCEDURES

- Registration is accepted in person at Terry Conners at 1125 Cove Road in Stamford, by phone at 203-977-4728 or can be emailed to terryconners@stamfordct.gov. Camp waiver form and payment is due at time of registration.
- All skaters must be 4 years old by June 1, no exceptions.
- We may not be able to accommodate special needs children.
- Pictures of skaters may be posted on our website, posted in the rink lobby and/or used in rink brochures. Skaters' names are not used.
- **Cell phones can be distracting during camp and are not allowed.**
- If a child has a bathroom accident and cannot change themselves the parent will be called to come change them. Extra clothes should be brought in a backpack everyday if this is a concern, especially for younger children.
- In order for your child to benefit the most out of camp it is recommended that parents drop their kids to camp and not stay (it is a distraction to both skaters and coaches).
- **Your child must be able to follow simple directions to attend camp; such as:**
 1. Going to the bathroom when asked.
 2. Eating snack at snack time.
 3. Being able to eat lunch in a cafeteria environment with distractions.
 4. Communicate any needs to the counselors.

Terry Conners Camp is Nut Free

CAMP FORMAT

- ❖ Terry Conners Camp offers group lessons that teach skaters the fundamentals of ice skating. Our program follows the Learn to Skate USA basic skills program. Our camp is taught by qualified skating professionals. All ice time is overseen by staff professionals and trained assistants.
- ❖ Fridays from approximately 2:30-3:50pm all skaters will perform in a show displaying the camper's progress throughout the week.
- ❖ Progress evaluation will be done at the end of each week only for skaters who are ready to advance to the next level.

DAILY SCHEDULE

8:30 – 8:50am drop off/off ice warm up
9:00 – 11:50am on ice/off ice activity
12:00 – 1:00pm lunch
 drop off and pick up for half day campers
1:10 – 3:50pm on ice/off ice activity
4:00 pm pick up

❖ Friday Show at approx. 2:30pm

Summer camp has tremendously increased in enrollment and TCR will schedule ice time based on skating levels to benefit the skater's learning experience.

TESTIMONIALS

"My 6 yr. old just loved it. She has been doing lessons at other rinks since she was 4 and those 2 weeks at Terry Conners Camp she has drastically improved and wants to start competing."

"This is my daughter's 3rd summer at TCR camp. She LOVES it! She enjoys skating 4x per day especially learning a new routine and performing on Fridays. Val and her awesome staff always make her feel welcome & safe."

"I want to thank you, my kids are enjoying their time at camp. We are very happy and very impressed with the camp & classes, you are doing an excellent job and our kids are going to stay at Terry Conners for a long time."

"I want to thank you for a wonderful, first camp experience for my daughter. The program offered everything she expected and then some. Your instructors did a fabulous job and should be congratulated."

"Thank you for providing such a wonderful program. I can't say enough wonderful things about you and your staff. My boys are having a blast!"

"I wanted to let you know that my son has had a fantastic week at Terry Conners -- what a great camp! Thanks so much!! He has loved this week and was commenting how he wished it went on next week too! Great instructors and great program."

SKATING LEVELS OFFERED

Snowplow Sam

These classes are for children ages 4 and 5 years old and will teach the fundamentals of skating and help develop coordination and strength to progress through the levels.

Basic 1 thru Pre Freestyle

Basic Levels are for ages 6 and up. Each skater will be placed in the level that is appropriate for their skills and will advance at their own pace. After Pre Freestyle the skater will advance to the Freestyle levels.

Freestyle 1 thru 7

Each freestyle level is divided into four sections; moves in the field, dance, spins, and jumps. All elements should be mastered before the skater advances to the next level.

Moves in the Field

Skaters will work on elements that emphasize skating and edge control.

Synchronized Skating

Skaters will learn the fundamentals of synchronized skating.

Intro to Hockey

Intro to Hockey is for ages 11 and under and who have passed Basic 2 or SS3 and who can skate forward and backwards.

- ❖ This class is for skaters who are interested in playing hockey and are at the beginner level.

OFF-ICE ACTIVITIES

Off Ice activities include stretching, conditioning, arts and crafts, playground, and games.
