- All skaters must be 4 years old by January 1. No Exceptions.
- We may not be able to accommodate special needs children.
- Pictures of skaters may be posted on our website, posted in the rink lobby and/or used in rink brochures. Skaters' names are not used.
- **Cell phones can be distracting during camp and are not allowed.**
- If a child has a bathroom accident and cannot change themselves the parent will be called. Extra clothes should be brought in everyday if this is a concern, especially for younger children.
- In order for your child to benefit the most out of camp it is recommended that parents drop their kids to camp and not stay (it is a distraction to both skaters and coaches).
- It is strongly recommended that your child be able to communicate in English with the Counselors.
- **Your child must be able to follow simple directions to attend camp; such as:**
  1. Going to the bathroom when asked.
  2. Eating snack at snack time.
  3. Being able to eat lunch in a cafeteria environment with distractions.
  4. Communicate any needs to the counselors.
