## **MUSIC:**

Rules governing music selection can be found in the U.S. Figure Skating Rulebook, rules 7200-7520.

For the Terry Connors Open, online music submission is the **ONLY** acceptable method to submit program music. After you have paid for your events, the EntryEeze system will prompt you to upload your music for each event that requires music. If your music is not available at that time, you can logout of your account and return later to upload your music by going to the "Competition" tab and then selecting "My Music." Please be sure you are uploading the correct music for the correct event segment. Be careful, for example, not to mix up your short program and your free skate! **The music submission deadline is November 17, 2017.**

The uploaded program music **MUST** conform to the following specifications:

Programs per file: One [1] - Only one piece of competition program music (e.g. short program, free skate, short dance, free dance, etc.) per file is allowed.

File Format: mp3 - The uploaded file music must be an mp3 file (MPEG-1 or MPEG-2 Audio Layer III). Simply changing the file extension to "mp3" from another file format is not acceptable.

Bit Rate: 192 kbps is requested (bit rates between 128 and 320 kbps will be accepted).

Maximum file size: 10 MB

Maximum run time: Five [5 minutes]

ID3 Metadata [tags]: None - The Chief Music Coordinator strongly requests that mp3 files **DO NOT** contain any ID3 metadata, commonly called tags. This is especially true of any embedded images such as album cover art, picture of the skater, etc. Please, **NO EMBEDDED IMAGES!**

Maximum leader: Two [2] seconds] - The leader is the silence between the start of the track and the actual start of the program music. The Chief Music Coordinator recommends that there be **NO** leader.

Maximum trailer: Two [2] seconds] - The trailer is the silence between the end of the program music and the end of the actual track. The Chief Music Coordinator recommends that there be **NO** trailer.

## **Backup Music at Event [CDs]**

In addition to submitting the music online, all competitors/teams must also have at least one [1] backup copy of their competition music on CD, AT RINKSIDE, during the actual competition event or official practice. CDs must meet the following requirements:

- In standard Audio CD format (Compact Disc Digital Audio). Other formats, including mp3 are NOT acceptable.
- Clearly marked with a permanent marker (e.g. Sharpie, do NOT use a label or tape) as follows: First Name, Last Name, (Club – Optional but requested), Event, Event Segment and Music Length (e.g. Jane Smith, Acme FSC, Novice Ladies, Free Skate, 3:10 or Synchro Team, Widget FSC, Preliminary, Free Skate, 1:59)
- Each CD may have only ONE [1] music track on it. In the case where a skater competes in both a short program/dance and a free skate/free dance, two [2] separate discs must be available. Any disc with more than one [1] track is NOT acceptable.
- Lead in time (time before the music begins) on CDs may not exceed two [2] seconds.
- Due to the compatibility and reliability reasons, music may NOT be submitted on re-recordable “CD-RW” discs. PLEASE, not CD-RWs!!

The LOC, competition officials, and volunteers exercise reasonable care when handling CDs. However, they are not responsible for damage to or loss of any CDs. The LOC is not responsible for CDs not picked up by the end of the competition. Those CDs will be destroyed.

## **Penalty for Incorrect Music or Failure to Upload Music**

The LOC may assess each competitor/team an additional charge, up to \$25.00 per event segment, if the competitor/team: 1) fails to submit their music prior to the close of online music submission, 2) submits files that do not follow the specifications above, or 3) uploads the incorrect music for a given event segment (e.g. uploads short program music instead of the free skate). In the event the LOC decides to assess a penalty, the competitor/teams will not receive their credentials at registration until they pay the penalty fee and turn in their music on CD, conforming to the requirements above.

## ENTRY FORM 6: Critique Request Form for 6.0 events and IJS events

Welcome to the 2017 Terry Connors Synchronized Skating Open. We are delighted you have chosen to have your teams participate and recognize that you are bringing them here not only for the experience of competing, but also to receive input from the judges concerning their program and performance. As the schedule permits, we will be communicating Tech panel and judges' assessment of teams for BOTH the 6.0 system AND IJS with one-on-one critiques scheduled throughout the competition. A maximum of two (2) coaches may attend the critique.

We will hold one-on-one critiques as noted on a separate schedule, and will e-mail critiques ONLY if we are unable to incorporate the critique into the schedule OR we are unable to schedule it directly following the competition.

**Please check the separate Critique Schedule for time details. The schedule will be posted on the Official Bulletin Board at the rink and will also be available at the Registration Desk.**

**For events skated on Saturday, critiques will be held at the conclusion of the event. Judges' Critiques for events held on Sunday, and for some Sunday IJS events, will be incorporated into the schedule throughout the day, or scheduled directly at the conclusion of the competition on Sunday.**

In order to receive a critique, you must check YES when answering the survey questions during the online EntryEeze registration for each team. No hard copy forms will be accepted. At this time it is impossible to project scheduling. Therefore, contact information from the system will be used if we need to send you an e-mail critique about your team's performance for this competition.

All written critiques will be sent no later than Sunday, December 10<sup>th</sup>, 2017 via e-mail.

After you receive your Evaluation Form, should you have any questions, the name and e-mail address of the critique judge will be found at the bottom of the critique e-mail. Feel free to communicate directly with that individual with any questions you may have.

Enjoy the competition!
