## SPRING DEVELOPMENT PROGRAM 2026 - [WWW.CTOILKINGS.COM](http://WWW.CTOILKINGS.COM)

CHANGE YOUR GAME - CHANGE YOUR THINKING - ALL PAIN IS GAIN

The Oil Kings Spring Development Program, unlike many others, places a strong emphasis on improving each player's hockey IQ by creating game-like environments that simulate real in-game situations. Players will learn to compete and thrive in ultra-competitive, high-intensity skill and drill sessions designed to challenge and develop their overall game.
