FORMAT

Terry Conners offers group lessons that teach skaters the fundamentals of ice skating. Our program incorporates the Learn to Skate badge system. Every class is taught by qualified skating professionals. Supervised practices are overseen by staff professionals and trained assistants.

PROCEDURES

- ❖ All classes, times and instructors are subject to change. Classes may be combined or cancelled due to low enrollment or closed due to high enrollment. There is a 15 skater maximum per class.
- ❖ If a child is not registered for the proper class listed on their progress card or if they are too advanced for the class or not keeping up with the class then they will be moved into the appropriate class.
- ❖ Progress evaluation will take place during the last two weeks of each cycle. A progress card will be given to the skaters to evaluate each skill element required at their level. It is important that all skills on each level are mastered and can be done successfully a couple of times in a row before moving on to the next level. **Some levels will require more than one cycle in order to be completed.**
- ❖ Registration is accepted in person at Terry Conners Rink at 1125 Cove Road in Stamford or by phone with a credit card at 203-977-4728. Please see our lobby or website www.tcrink.com for class times. Payment for the entire cycle is required at time of registration. Registration is ongoing until the 3rd week into the cycle. After week 3 no more registrations will be accepted.
- ❖ Children are not to be left in the Ice Rink without their parent or guardian. Parents/guardians must stay inside the rink building at all times.
- ❖ Parents will not be allowed to watch classes from the hockey box. It is a distraction to the skaters and coaches. You can watch skaters from bleacher and lobby areas.
- ❖ **Make-Up Classes:** Make-up classes will only be offered during our winter cycles which will consist of an additional week of lessons at the end of the cycle. There will be no make-up classes during the fall, spring and summer cycles.
- ❖ In case of inclement weather call the rink office for cancellations (203-977-4728). We do not follow the school cancellation schedule.
- ❖ If you have any concerns about your 3 yr. old child being able to participate in a group lesson please bring it to the attention of the office staff when you register. Sometimes 3 yr. olds are not ready for skating and waiting an extra session might be recommended by the instructor.

MEETING YOUR INSTRUCTOR

- ❖ Week 1 students should meet their instructor off ice by the door with your instructor's name tag.
- ❖ Weeks 2-8 students should meet their instructors in the hockey box if they need help getting to class.
- ❖ Parents will not be allowed to stay in the hockey box during class time.

EQUIPMENT

- ❖ Rental skates should be the same size as your child's shoe size.
- ❖ Skates should fit snug, be laced all the way up, and tied tightly for proper ankle support. There should not be too much room in the toes; toes should almost touch the front of the skate.
- ❖ It is recommended that all skaters Basic 3 and up buy their own skates. You can purchase new or used skates at either: Instant Replay Sports: 1054 Hope St., Stamford, CT 203-322-7502 OR Blueline Sports: 55 Old Kings Highway North, Darien, CT 203-656-0324.
- ❖ Skates should be sharpened every 15-20 uses.
- ❖ Bike Helmets should be worn by all beginners and any child under the age of 8.
- ❖ Gloves/Mittens should be worn at all times.
- ❖ Clothing should be warm but it should not restrict your child's movement.
- ❖ No long scarves should be worn at any time.

PRACTICING

- ❖ To get the most out of classes it is recommended that your child practices at least one other time each week for at least 20 minutes on the skills they do in class. Your child will progress a lot faster practicing outside of the group lesson program.
- ❖ If your child is having trouble keeping up with the class or you feel they are falling behind private lessons will help them catch up. You can schedule a private lesson with your child's group lesson instructor, any other instructor, or leave your name and phone number in the office and someone will contact you.
- ❖ Private lessons and extra practice can be done on the Public Sessions on Saturdays and Sundays from 12:20-1:50pm.
- ❖ There is no practice time during the first lesson time on Thursdays 5:20-5:45pm and Saturdays 10:20-10:45am.
