

SKATING SCHOOL NEWS

NOW THAT LESSONS ARE UNDERWAY, HERE ARE A FEW THINGS TO REMEMBER:

1. Masks are required at all times on and off the Ice
2. Parents should drop their child off in the hockey box and proceed to the bleachers to watch
3. Skaters will be exiting the Ice at the hockey box on the opposite side of the Rink

Skates

Purchasing your own skates are recommended once your child reaches Basic 3 or higher

Please do not purchase skates online or at a store like Dicks Sporting Goods

Skaters need to be fitted properly by a skate technician

RECOMMENDED PLACES TO PURCHASE SKATES:

Beginner and Intermediate Skaters can purchase new and used skates at either:

Instant Replay Sports at 4 Largo Drive, Stamford

Blueline Sports at 53 Old Kings Highway North, Darien

For advanced skaters you can purchase skates at:

Skaters Landing at 240 Mill St., Greenwich

All three skate shops will measure your child's foot and make sure they have the support that they need for their level.

Practicing

Skating is an individual sport so skaters will progress at different speeds. It is normal for skaters to repeat levels.

It is important that skaters pass all elements on their level before progressing to the next level.

Practice is important for your child's progress.

Skaters received a public session pass on their first day of lessons; the pass gives each skater six (6) free public skating sessions.
